

Collection: MÉTRO

Finish*:

BL - Matte Black

Main features:

Features

- MATERIAL: Metal
- WARRANTY DURATION (YEARS): 5

- INSTALLATION TYPE: Built-in

Consumer benefits

- A PERFECT INSTALLATION FOR EVERYDAY USE: Its wide head Ø30 cm wraps you in a relaxing shower of water, ideal for a moment of relaxation or for rinsing your hair effectively. The shower is also equipped with a multi-jet hand shower, which is more practical for daily showers without shampoo.
- A SHOWER WITH A CONSTANT TEMPERATURE WITHOUT THE RISK OF BURNING: High-precision thermostatic cartridge which avoids excessive temperature variations that are unpleasant in the shower. Temperature limited to 50°C. Automatic water shut-off in case of cold water cut-off to avoid any risk of burning.
- TENDENCY: Ultra-fashionable matt black finish

Installation benefits

- ALL-IN-ONE KIT: It is possible to create a built-in shower without forgetting anything! This all-in-1 package provides you with everything required to install a functional concealed shower in a single package. Contents of the pack: Thermostatic front panel with adjustment handles, Ø300 mm head shower and wall connection arm, Ø110 mm hand shower with 3 jets, anti-twist hose, hand shower holder, outlet elbow, modulo flush-mounted box, step-by-step installation guide.
- ANY DOUBTS ABOUT YOUR INSTALLATION? An installation tutorial is available on the Jacob Delafon website
