Main features:

### Features

- **MATERIAL:** Metal
- **WARRANTY DURATION (YEARS):** 5
- **INSTALLATION TYPE:** Wall-mount

### Consumer benefits

- **A PERFECT INSTALLATION FOR EVERYDAY USE:** Its wide 25 x 25 cm head shower wraps in a relaxing rain of water, ideal for a moment of relaxation or rinsing your hair effectively. The shower is also equipped with a hand shower, which is more practical for daily showers without shampoo.
- **A SHOWER WITH A CONSTANT TEMPERATURE WITHOUT THE RISK OF BURNING:** High-precision thermostatic cartridge which avoids excessive temperature variations that are unpleasant in the shower. Temperature limited to 50°C. Automatic water shut-off in case of cold water cut-off to avoid any risk of burning.

### Installation benefits

- **ALL-IN-ONE KIT:** It is possible to create a built-in shower without forgetting anything! This all-in-1 package provides you with everything required to install a functional concealed shower in a single package. Contents of the pack: Thermostatic front panel with adjustment handles, 25 x 25 cm square head shower and wall connection arm, 2 jet hand shower, anti-twist hose, hand shower holder, outlet elbow, modula flush-mounted box step-by-step installation instructions.
- **ANY DOUBTS ABOUT YOUR INSTALLATION?** An installation tutorial is available on the Jacob Delafon website.
