

Collection: NO COLLECTION

Finish*:

CP - Chrome

Main features:

Features

- **DIMENSIONS:** 90 cm
- **MATERIAL:** Outside the collections
- **WARRANTY DURATION (YEARS):** 2
- **WEIGHT:** 0.6 kg
- **NORMS AND REGULATIONS:** A.C.S.
- Waste fed via overflow, extra-slim siphon (85 mm high above waste hole) and long cable (775 mm). Overflow and waste cover in chrome. Install with wall fittings such as Modulo. Compatible with all acrylic bath models (except Evok collection). This model is not compatible with the Elite bath with oblong overflow.
- Compatible with all acrylic bath models (except Evok collection). This model is not compatible with the Elite bath with oblong overflow.

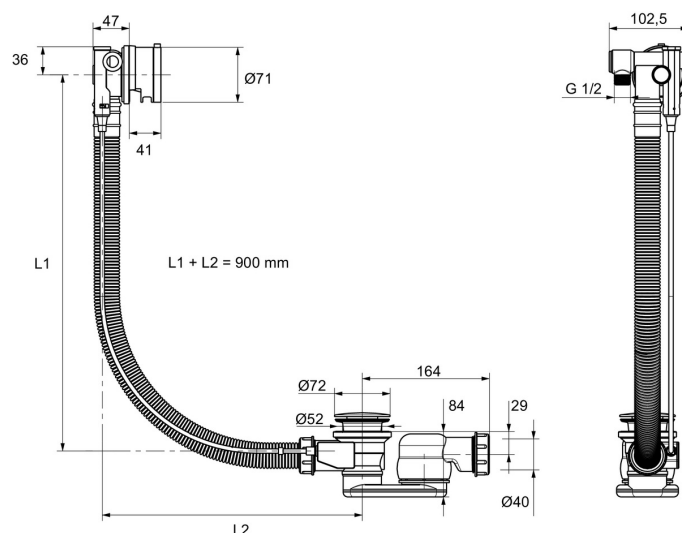

Consumer benefits

- **PRACTICAL:** Bath fills via the overflow - enjoy your shower space without the projecting bath spout!
- **SAFETY:** No projecting tap spout, more comfort for adults and safety for children!
- **DESIGN:** Chrome finish for the overflow and waste cover, marked with the elegant Jacob Delafon signature

Installation benefits

- **EASY TO INSTALL:** Flexible tube easily re-cut
- **MAINTENANCE:** The extra-slim siphon is not removable to save 2 cm in height under the bath
