Jacob Delafon
PARIS

FR

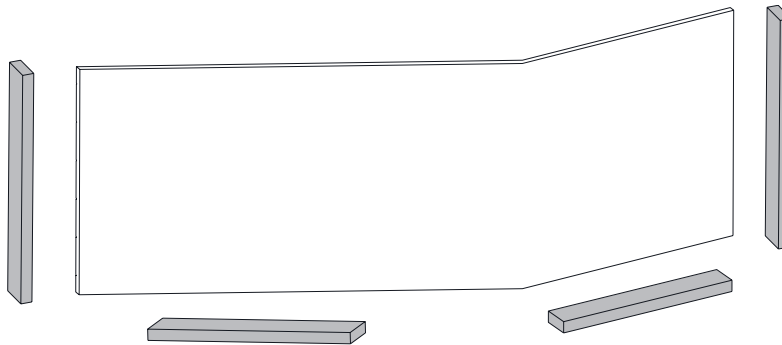

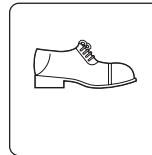

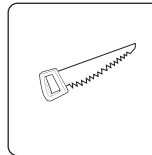

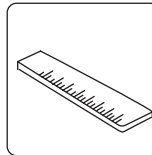

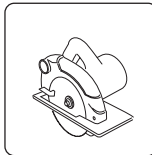

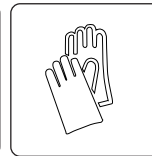

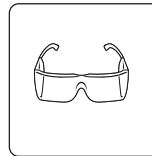

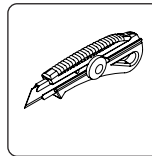

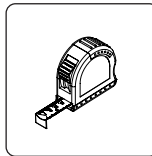

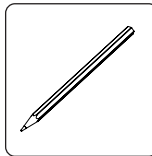

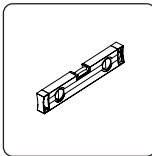

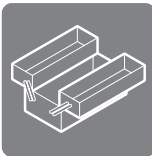

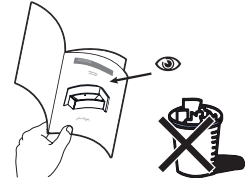

Important! Déballez soigneusement votre produit et vérifiez qu'il n'a pas été endommagé pendant le transport et communiquez tout défaut immédiatement à votre fournisseur.
Aucune réclamation à ce sujet ne sera acceptée après installation.

GB

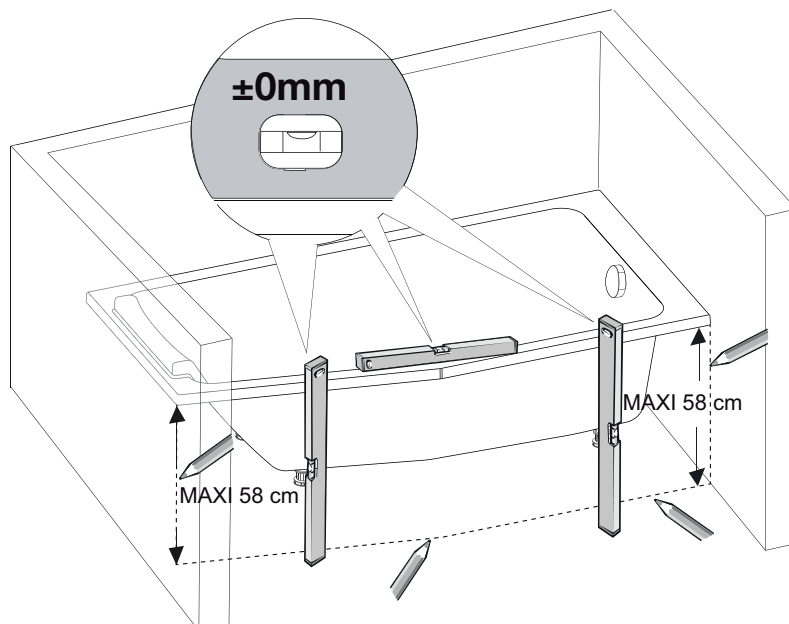

Important! Carefully unpack your product and check for transit damage and report any faults immediately to your supplier.
No claims for the above will be considered after installation.

ES

¡Importante! Desembale cuidadosamente su producto y controle que no haya sufrido daños durante el transporte e informe de inmediato ante cualquier avería. No se considerarán reclamaciones por estos conceptos una vez realizada la instalación.

Installez la baignoire selon les instructions du fabricant.
Install the bathtub according to the manufacturer's instructions.
Instale la bañera de acuerdo con las instrucciones del fabricante.

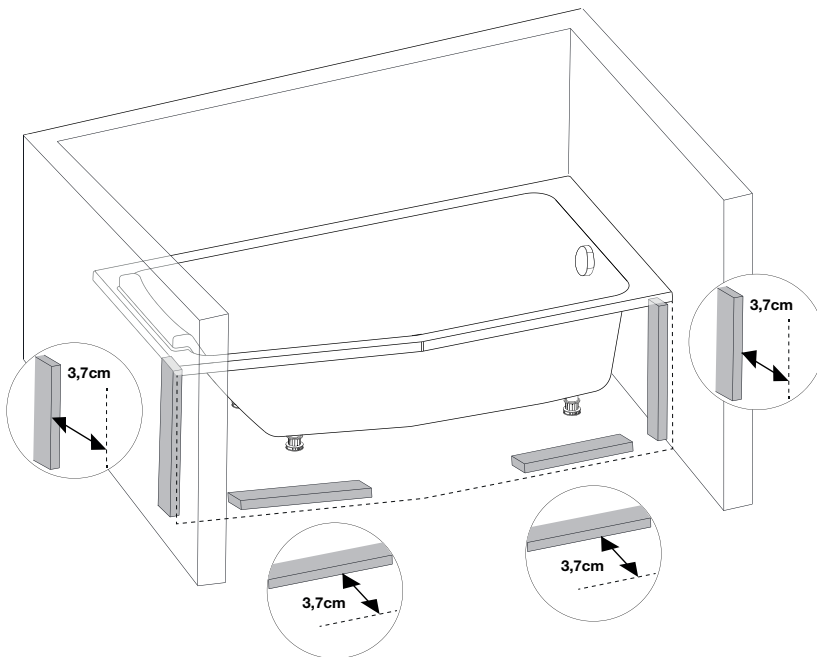

Dépoussiérer le sol et les murs avant l'installation du tablier et tracer l'aplomb sur tout le pourtour de la baignoire.

Dust the floor and walls before installing the apron and trace the plumb line around the entire perimeter of the bathtub.

Limpie el suelo y las paredes antes de la instalación del faldón, trace a nivel el perímetro de la bañera.

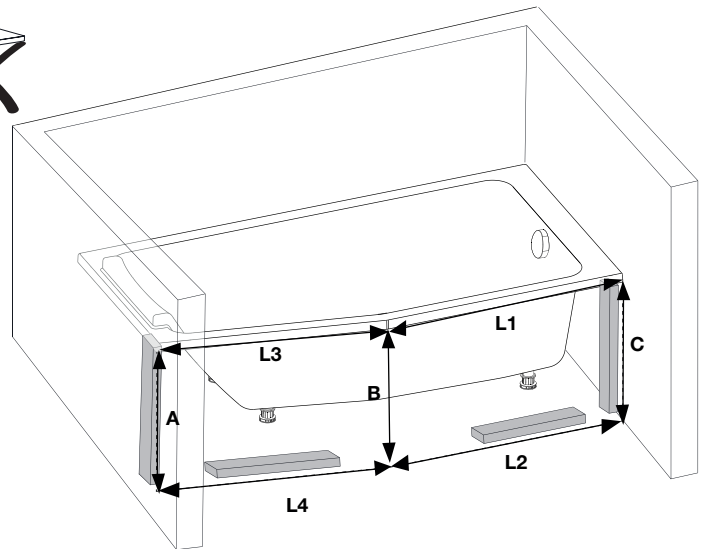

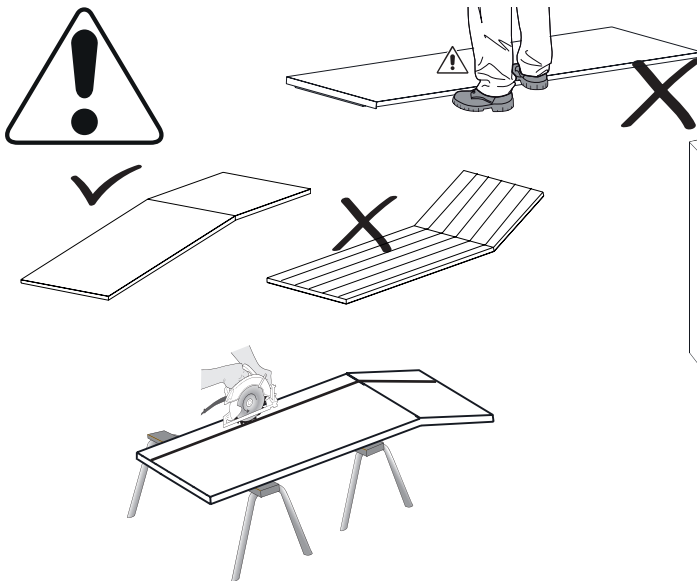

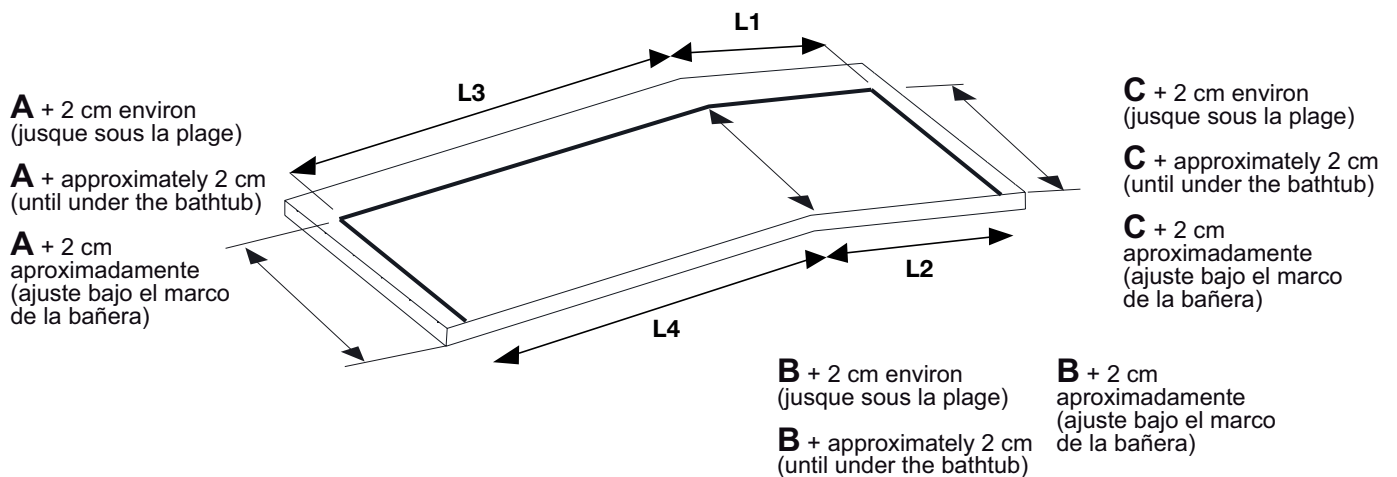

Coller les cales mousses adhésives à 3.7 cm environ du traçage d'aplomb (pour une baignoire de 5mm d'épaisseur)

Stick the adhesive foam wedges approximately 3.7 cm from the plumb line (for a 5mm thick bathtub)

Pegue las cuñas de espuma adhesiva aproximadamente a 3,7 cm del trazado (para una bañera de 5 mm de espesor)

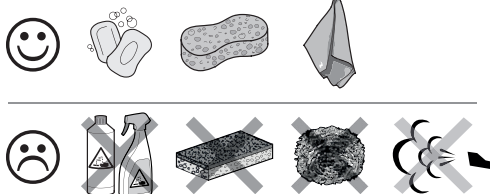

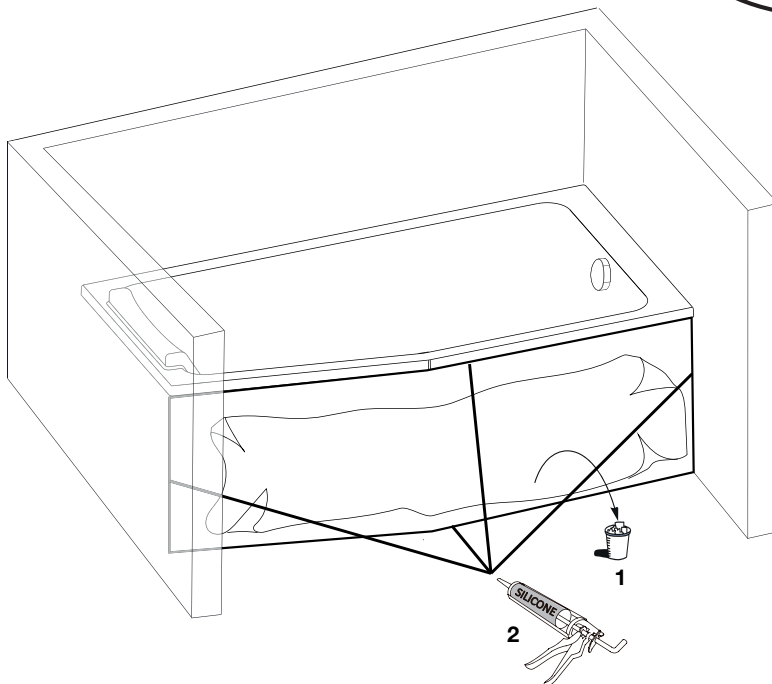

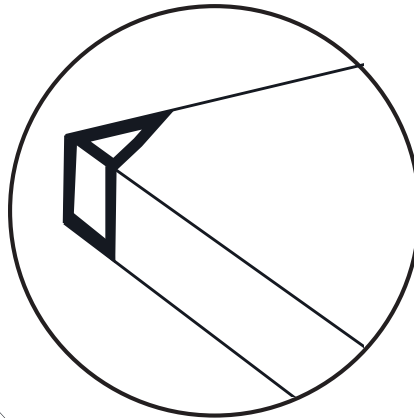

Couper la partie haute du tablier face acrylique avec une scie circulaire pour ajuster à la hauteur de la baignoire.
Cut the upper part of the acrylic-faced apron with a circular saw to adjust to the height of the bathtub.
Cortar la parte alta del faldón Cortar por la frente acrílica con una sierra circular para ajustarlo a la altura de la bañera.

Couper les coins supérieurs, pour passer sous les plages de la baignoire.

Cut the upper corners to pass under the rim of the bathtub.

Cortar las esquinas superiores, para pasar el faldón por debajo del marco de la bañera.
